MJ vs Lebron GOAT debate!

👍 👎 I'm curious to know how many people think that Lebron is the GOAT after him getting the point record? I think Lebron is offically the goat with all he has achieved in his career. He is litrally the most dominant player ever in the league.

👍 👎 **chippychip23:** L take, call me when Lebron has 6 rings.

　　　　　　　　👍 👎 **KBJ76:** WDYM Lebron is still averaging basically 40pts at the age of 38, how can you deny that.

👍 👎 **OldHead:** Lebron would not be great in MJ's era the compition was just different. Mark my words!

　　　　　　　　👍 👎 **NewBuck99:** *cough Curry
